

# Sixth Grade Newsletter

## Religion

**Ms. Piovane**

We continue to explore "Advent" and the Christmas season in relation to the Catholic Church. We prepare for the coming of Christ at Christmas.

---

## Grammar/ Writing

**Mrs. Pantelides**

We will complete our fourth and fifth parts of speech, verbs and conjunctions. We will review verb tenses and moods and review subject-verb agreement and voices of verbs and learn how to diagram all of them.

---

## Literature

**Mrs. Pantelides**

We will begin unit 4 in Literature: All Creatures Great and Small. We will read the delightful short story, "Zladeh the Goat," by Isaac Singer.

---

## Math

**Mr. Zepnikowski**

In Pre-Algebra 6, now that we have mastered operations, we are moving on how to use decimals in scientific notation and later we will solve equations involving decimals.

In Math 6, we have learned how to solve one step equations, we will move into solving formulas for area, volume, distance and perimeter.

---

## Music

**Miss Riggins**

Students will continue working on music for the Christmas Program and learn arrangements of "Child of the Poor/What Child Is This" and "God Rest Ye Merry Gentlemen" on the Orff instruments.

## Science

**Mrs. Rovenolt**

We will

---

## Spanish

**Mrs. Johnson**

We continue to learn about countries, nationalities, their capitals, languages spoken, and population. The students will continue to be able to recognize the meaning of questions such as: ¿De dónde eres? and ¿Dónde vives? and be able to answer with: Soy de \_\_\_\_\_. And Vivo en \_\_\_\_\_. They will recognize and use subject pronouns.

---

## STREAM: Science Technology Religion Engineering Art Math

**Mr. Baker, Mrs. Rovenolt, Mr. Zepnikowski**

We are building rovers from recyclables. They rover must past must first draw, then plan and then create.

---

## World History

**Mr. Nelson**

We analyze the history of the Roman Republic from the sixth century to the establishment of the Roman empire and its' decline.

---

## P.E. / Health

**Ms. Piovane**

In health we explore First Aid procedures. We look at emergency situations and proper response when these situations arise. Safety first...please ask your student what they learned in health class this week!

---

## Art

**Ms. Hudson**

Those who have completed their sarcophagus will move on to creating the base for their canopic jar.
