

Sixth Grade Newsletter

Religion

Ms. Piovane

We begin Chapter 20: "Lent" In this chapter the students will learn that the season of Lent is a period of preparation for Easter.

Grammar/ Writing

Mrs. Pantelides

Students will move onto punctuation and capitalization in preparation for writing research papers. These papers will be initiated in April with a step-by-step process.

Literature

Mrs. Pantelides

Students will complete unit 6: Onstage.They will share their fairy tales that they wrote using the 6 + 1 Writing Traits.

Math

Mr. Zepnikowski

In Pre-Algebra, this week we will explore how to find the area of geometric shapes. We will perform an experiment with toilet paper to find how much people use.

In Math 6, as we wind down fractions, we will explore how to use fractions to find the probability of events happening. We will use the NCAA tournament to work with some probabilities.

Music

Mrs. Smith

We will explore and learn a few new songs for mass this week. Some of those songs include "All That We Have" and "Here I Am, Lord".

Science

Mrs. Rovenolt

We will explore different science careers. We going to make paper from shreddings after researching the best ways. We will blog about how practical making your own paper is or is not.

Spanish

Mrs. Johnson

The students will identify, translate, and choose the correct verbs in order to form sentences (-ar verbs). They will also review important information from their PowerPoint presentations, and learn new vocabulary.

STREAM: Science Technology Religion Engineering Art Math

Mr. Baker, Mrs. Rovenolt, Mr. Zepnikowski

We finish Physics Quest by comparing oobleck and ketchup. Then we going to have a egg drop competition: discuss, research, design, draw, build and then test. Parents please provide the egg. We'll give it back when we are finished ;)

World History

Mr. Nelson

This week begin our study of the feudal system in Europe. Students will establish their own fiefs as they experience through role play the hierarchical structure of feudal society.

P.E. / Health

Ms. Piovane

We explore the "Family Life" curriculum this week in Health. In P.E. we will be creating games with specific equipment and playing the games that the students themselves create. We will also tape the presentation of their game and the actual playing of the game. Fun and games!!!

Art

Ms. Hudson

Students will continue to create mosaics modeled after the Roman's.
