

# Sixth Grade Newsletter

## Religion

**Ms. Piovane**

We continue to explore Chapter 23: "Jesus Redeemer and Savior." Students are investigating Jesus' death and Resurrection.

---

## Grammar/ Writing

**Mrs. Pantelides**

Students will begin writing research reports once topics are approved. They will submit 3 sources this week.

---

## Literature

**Mrs. Pantelides**

Students will continue in unit 7: Explaining Our World: Fact and Fiction; they will present biographies and myths of their respective Greek god or goddess.

---

## Math

**Mr. Zepnikowski**

In Pre-Algebra, we will begin our journey into the 3rd dimension. We will learn how to find surface area and volume of 3D shapes. We will begin work on our in class project.

In Math 6, we will start 2D shapes by learning what points, lines, and angles are. We will make our own angles and lines.

---

## Music

**Mrs. Smith**

For the next several weeks students will be working on their recorder composition project. This week, students will begin notating their rhythmic draft on staff paper. We will also be reviewing notes on the treble clef.

---

## Science

**Mrs. Rovenolt**

We analyze the energy relationships between animals living with one another or symbiosis. We will classify relationships as commensal, parasitic or mutual.

---

## Spanish

**Mrs. Johnson**

The students will recall information learned such as vocabulary and grammar in preparation for their test.

---

## STREAM: Science Technology Religion Engineering Art Math

**Mr. Baker, Mrs. Rovenolt, Mr. Zepnikowski**

Congratulations to ALL the egg drop winners. We need a taller building!!! We are creating simple Scratch games in preparation of Lego NXT Mindstorms programming. Math projects will be presented this week.

---

## World History

**Mr. Nelson**

Students will learn about the influence of the Church in daily life. Various church reforms occurred during this period and Christian teachings spread throughout Western Europe. The Crusades are discussed focussing on gains and losses due to the conflicts.

---

## P.E. / Health

**Ms. Piovane**

We explore recreational games of frisbee, horseshoes and corn hole. We will also present our "Create A Game" activities.

---

## Art

**Ms. Hudson**

Students will be allowed one more class to complete our Roman Mosaic assignment. Background, a light layer of gold paint, and Modge Podge will complete the assignment.
