

## Seventh Grade Newsletter

### Religion

**Ms. Piovane**

We continue to explore the Stations of the Cross, Lent, the Triduum and Easter. We will also begin Chapter 17: Penance and Anointing of the Sick. In this chapter the students will learn that Jesus Christ offers God's forgiveness and healing for all our sins and sufferings.

---

### Literature

**Mrs. Pantelides**

Students will continue with unit 6: This Old Earth and will read Bruchac's origin myth, "Sky Woman," about the origin of good and evil.

---

### Math

**Mr. Zepnikowski**

In Algebra, we have learned the basics to factoring polynomials. We will move on to factoring more complicated polynomials.

In Pre-Algebra, we will learn how to divide monomials and introduce basic polynomial factoring. We will keep up with our digital notebook.

---

### Music

**Mrs. Smith**

We will begin transferring our written compositions to notation software in the lab this week. We will also keep practicing playing our compositions for the class performance.

---

### Grammar/ Writing

**Mrs. Pantelides**

Both Production Studio Broadcasts are available via Ustream using Mr. Baker's tab on the PCRS website. Please view and enjoy the interviews with the Drama Club and the Golf and Basketball coaches.

### Art

**Ms. Hudson**

This week, our seventh graders will continue creating designs for the NASA contest and will paint the background if time allows.

---

### Science

**Mrs. Rovenolt**

We will concentrate our exploration on insects this week as we continue the study of invertebrates. We continue our study of biology prefixes to help us unlock unfamiliar words.

---

### Spanish

**Mrs. Johnson**

We will continue to review subject pronouns and conjugate the verb "estar". The students will type the information needed to write an invitation in Spanish, learn about some sports, and new vocabulary in regards to places.

---

### STREAM: Science Technology Religion Engineering Art Math

**Mr. Baker, Mrs. Rovenolt**

The straw boats are being built and tested. We have determined straws filled with water DO NOT float. Rough seas will pose a challenge to penny containment.

---

### United States History

**Mr. Nelson**

We cover American involvement in World War II covering both the European and Pacific theatres. Americans regained control of Europe, Northern Africa, and the Pacific. Japan's surrender ends World War II.

---

### P.E. / Health

**Ms. Patty Piovane**

We will be outdoors playing cooperative games and working on running and hurdles this week in P.E. We will also be running relay races. We are grateful for this nice weather!
