

Seventh Grade Newsletter

Religion

Ms. Piovane

We continue to explore the Stations of the Cross, Lent, the Triduum and Easter. We will also begin Chapter 18: Holy Orders and Matrimony. In this chapter the students will learn about the Sacraments at the Service of Communion: Matrimony and Holy Orders.

Literature

Mrs. Pantelides

Students will continue with unit 6: This Old Earth and will read Patricia Lauber's nonfiction story, "When the Earth Shakes" which gives an account of the earthquake that struck Alaska in 1964. Causes and effects in the selection will be noted.

Math

Mr. Zepnikowski

In Algebra, we will learn how to factor square roots. We will simplify them, perform operations on them, and finally learn to solve equations with them.

In Pre-Algebra, we will learn what a function is and how to fill in a function table. This will prepare us to graph lines in the coming days.

Music

Mrs. Smith

We will finish up using the notation software on the computer to create our written compositions. We will also continue to practice our compositions for our class performances.

Grammar/ Writing

Mrs. Pantelides

Students will master vocabulary unit 8 by reading a selection with the words and trying to infer their meanings from their use; they will also begin punctuation and capitalization in preparation to write research papers next month.

Art

Ms. Hudson

After last week's background painting, students are ready to color and cut out space images, and collage together if time allows.

Science

Mrs. Rovenolt

Science Fair Week!!! Students will give presentations in class explaining their experiment and about what they learned. Please come and see all the scientists on Wednesday at 6 PM.

Spanish

Mrs. Johnson

We will start a new unit about "comida" (food) and the students will learn the origin of many foods grown today in the Americas. The students will learn how to conjugate the verb, "comer" (to eat).

STREAM: Science Technology Religion Engineering Art Math

Mr. Baker, Mrs. Rovenolt

Many students are finished testing their cargo ships and are ready for rough seas in the big pool but a few have chosen to earn extra straws and tape by correctly answering math problems.

United States History

Mr. Nelson

We will review American involvement in World War II covering both the European and Pacific theatres where Americans regained control of Europe, Northern Africa, and the Pacific. We will also cover Japan's surrender which ends World War II.

P.E. / Health

Ms. Patty Piovane

We will be participating fitness labs this week. Students will be assessing their progress and setting fitness goals for themselves.
