

Seventh Grade Newsletter

Religion

Ms. Piovane

We continue to explore the Stations of the Cross, Lent, the Triduum and Easter. We will also begin Chapter 19: "We Live Out Our Vocation." In this chapter the students will learn that all baptized members of the Church—those in the laity, those in the consecrated life, and those in the ordained ministry—share a common vocation, a call to holiness and evangelization.

Literature

Mrs. Pantelides

Students will complete unit 6: This Old Earth and will read and analyze poems dealing with creation and origin myths.

Math

Mr. Zepnikowski

In Algebra, we will learn how to multiply and divide square roots, solve equations with square roots, and learn about one of the most famous theorems in Mathematics, the Pythagorean Theorem.

In Pre-Algebra, we will learn what a function is and how to fill in a function table. This will prepare us to graph lines in the coming days.

Music

Mrs. Smith

We are performing our haiku compositions this week. We will also learn a few new songs for mass.

Grammar/ Writing

Mrs. Pantelides

Students will begin punctuation and capitalization in preparation to write research papers next month.

Art

Ms. Hudson

They will be introduced to the Elements of Art and discuss how they are used. Students will create posters showing examples of the Elements of Art.

Science

Mrs. Rovenolt

We begin the study of the Phylum of Chordata and the seven sub-Phylum of Vertebrates. We are going to compare fishes, amphibians and reptiles. We finish our work with prefixes.

Spanish

Mrs. Johnson

We continue with the unit about "comida" (food) The students will learn how to conjugate the verb, "comer" (to eat), learn new vocabulary, follow a drama that takes place in "El mercado" where goods are paid in Euros. How many Euros equals one U.S. dollar?

STREAM: Science Technology Religion Engineering Art Math

Mr. Baker, Mrs. Rovenolt

We will test our ships on the big sea, a fish tank. There are many designs to test. Students will determine their own projects for the final quarter. They may need your help with supplies for their individual inquiry projects.

United States History

Mr. Nelson

Students will analyze how events at the end of World War II led to the beginnings of the Cold War between the United States and the Soviet Union. We will review the political and economic climate in the United States after the war.

P.E. / Health

Ms. Patty Piovane

We explore the "Family Life" curriculum this week in Health. In P.E. we will be creating games with specific equipment and playing the games that the students themselves create. We will also tape the presentation of their game and the actual playing of the game. Fun and games!!!
