

## Eighth Grade Newsletter

### Religion

#### Ms. Piovane

We complete Chapter 19 with our test on Tuesday. We begin Chapter 20: "Seeking God's Life and Love As the Church." In this chapter the students will learn that the Church has both visible and invisible elements and is the beginning of the Kingdom of God on earth.

### Art

#### Ms. Hudson

Students will display posters and describe each Element. We will introduce and practice the Art of paper quilling.

### Civics and Economics

#### Mr. Nelson

Students will continue working on the Mock trial by learning court procedures, objections, and questioning techniques.

### Literature

#### Mrs. Pantelides

Students will begin unit 7: The American Hero: Myth and Reality and will begin their study by reading Longfellow's "Paul Revere's Ride." They will connect history to the selections in this unit.

### Grammar/Writing

#### Mrs. Pantelides

Our Production Studio Broadcast that covers the newly developed St. Elizabeth Ann Seton National Junior Society is available on Ustream for your viewing pleasure. Interviews of the Advisor and an inductee will enlighten you.

### Music

#### Mrs. Smith

We will be practicing and performing our compositions in class and wrapping up our composition projects.

### P.E. / Health

#### Ms. Piovane

We explore the "Family Life" curriculum this week in Health. In P.E. we continue our creation of games with specific equipment and playing the games that the students themselves create. We will also tape the presentation of their game and the actual playing of the game. Fun and games!!!

### Algebra

#### Mr. Zepnikowski

As we approach the end of our work with square roots we will explore the Pythagorean Theorem and how to find distance between two points in the coordinate plane.

### Science

#### Mrs. Rovenolt

We are working with centripetal and projective forces before we make waves- longitudinal and transverse.

### Spanish I

#### Mrs. Johnson

The students will present their virtual Spanish class video. We will continue reviewing -er and -ir verbs. The new chapter discusses meals and menus.

### STREAM: Science Technology Religion Engineering Art Math

#### Mr. Baker, Mrs. Rovenolt

We will begin a study on roller coaster physics in preparation for our trip to Busch Gardens.

### Geometry

#### Mr. Zepnikowski

We will continue our study of circles, including how to draw angles and shapes inside of circles. We will also continue to prove theorems true about circles.
